Dear Colleague,

An NTA Sub-Committee has been established in order to collect information regarding the 55/25 pension reform issue. 55/25 would allow Teachers and Teaching Assistants to retire **without penalty** starting at age 55 if they have 25 years of services. (Currently, you need 30 years or must be 62 years old. If you retire prior to that, you are penalized.)

Please fill out the following information and return to the Co-Chairs at Temple Hill Academy.
