

NTA VIRTUAL PHONE BANKS!

To support the NECSD budget and NTA endorsed Board of Ed candidates

The NTA Virtual Phone Banks will run Monday, May 10th through Thursday, May 13th and Monday, May 17th from 3:00 PM to 8:00 PM each day. If you are unable to make phone calls on your school's designated night, please feel free to participate on any or all of the dates listed.

Calls will be made from home. You will be provided with a script and the numbers of NYSUT members who live in the NECSD. You will need to use your own computer (not a district Chromebook) and phone to make calls, but you can block access to your phone number by using *67.

After the phone banks have concluded, 20 participants will be chosen randomly to each win a \$50 prize, and the 5 participants who make the most phone calls will each win a \$100 prize. Also, one lucky winner will be chosen randomly to receive a basket of locally grown organic produce donated on behalf of NTA member, Christine Hutchinson's agriculture education program.

Please see your head delegate for more details.
