

**My name is Margaret DePuy. I am running for the position of Corresponding Secretary of the Teaching Assistants' Chapter of the NTA. I've been a Teaching Assistant for over twelve years, and have been a Building Representative (delegate) for many of those years. Currently, as well as representing my building, I am also involved with the NTA in other ways: I attend leadership conferences, help with political action, I am part of the NTA's Book Give-Away program and I am the Events Coordinator for the Teaching Assistants' Chapter.**

**I feel that I would be a strong Corresponding Secretary. I believe in our union and I believe our chapter needs to become even stronger. I'm looking forward to working with the other Executive Committee members to make this happen together.**
